

Dear Parents,

Please fill out the below and return to your child's teacher if you are willing to let us photograph your children. We will keep them on file and a new one will need to be filled out each school year. If you do not give permission please do not fill out this form.

I, _____, give Little Dreamers Preschool permission to take pictures of my child _____ . These pictures could be used for our website or our Facebook and/or Google + page.

Thank you,
